An act to add ~~Sections 10830.1 and~~ *Section* 11052.6 to the Welfare and Institutions Code, relating to public social services.

LEGISLATIVE COUNSEL'S DIGEST

SB 1160, as amended, Alquist. CalWORKs program: eligibility.

~~Existing law requires the State Department of Social Services and the California Health and Human Services Agency Data Center to design, implement, and maintain a statewide fingerprint imaging system for use in connection with the determination of eligibility for benefits under the CalWORKs program, excluding the Aid to Families with Dependent Children-Foster Care program, and the Food Stamp Program. Existing law, with specified exceptions, requires applicants for, and recipients of, CalWORKs and Food Stamp Program benefits, as a condition of eligibility, to be fingerprint imaged, pursuant to the statewide fingerprint imaging system.~~

~~This bill would exempt from that requirement a caretaker relative who is caring for a dependent child of the court, and is receiving CalWORKs benefits on behalf of the child, who is changing residence from one county to another county and applying for benefits on behalf of one or more related children who are receiving benefits under the CalWORKs program, and who is not an applicant for, or a recipient of, benefits under the CalWORKs program.~~

~~Existing law provides that no applicant shall be granted public assistance under the CalWORKs program and social services block~~

grant programs until he or she is first personally interviewed by the county or state staff for patients in state hospitals.

This bill would exempt from that requirement a caretaker relative who is caring for a dependent child of the court, and is receiving CalWORKs benefits on behalf of the child, who is changing residence from one county to another county and applying for benefits on behalf of one or more related children who are receiving benefits under the CalWORKs program, and who is not an applicant for, or a recipient of, benefits under the CalWORKs program.

This bill would require the county CalWORKs program to verify that the individual applying for the described benefits meets the criteria set forth in the bill, thereby imposing a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
